I understand from Angeles that the Tribes would like this meeting to be with federal agencies and not include NDEP. When I receive the right contact information from Angeles, I plan to call tribes and introduce myself as new Administrator of NDEP.

Also, I wanted to know if EPA/BLM would be available for a telecon on Monday at 1:30 or 2 with Yerington and Lyon County Managers. I am checking with them to see if they can make that time.

Thanks David!

Should I go head and confirm with the tribal chairs or still wait until we learn more about BLM's participation?

Dear Brian,

It was good to talk to you this afternoon. As I mentioned, the tribal chairs have accepted my offer to meet with them in NV. They understand the urgency of the issue and have made themselves available to meet with us next Monday, February 13 at either 3 or 3:30 pm in Reno, NV. They actually suggested that we meet in BLM's office. The meeting participants will be as follows:

YPT Chairman Laurie Thom,

WRPT Chairman Amber Torres,

Dietrick McGinnis

McGinnis and Associates LLC

EPA: Harry Ball and Angeles Herrera

BLM: ??

I look forward to hearing back from you regarding BLM's participation and whether BLM can host the meeting with the Tribes in your office.

Also, since EPA will be traveling to NV to meet with the Tribes, should we also

make an offer to meet with the city and county managers? I realize that this may not work for BLM and/or NDEP, but I wanted to suggest it for your consideration.

Thanks.

Angeles.
